Subject: Review of Reclamation Surety, Cox's Transport, Quarry Mine, S/023/096, Juab County, Utah

Dear Mr. Cox:

In letters dated August 22, 2012, and December 24, 2012, the Division of Oil, Gas and Mining notified you that it was necessary to adjust the reclamation surety for the referenced mine amount to account for changes in reclamation costs.

The deadline in the December 24, 2012, letter was February 8, 2013, which was informally extended.

You have until August 18, 2013 to submit the additional surety. If not received by this date the Division will issue a cessation order and no mining activities except reclamation will be permitted until the additional surety is posted. **A civil penalty (fine) will be associated with the cessation order.**

The total amount needed is:

\$12,200.00 escalation through 2013  
\$12,700.00 three-year escalation to 2015  
\$13,000.00 five-year escalation to 2017

The Division currently holds a surety of \$9800.00, so the increase is \$2400.00, \$2900.00, or \$3200.00.
